
Introduced by Senator Margett

February 22, 2005

An act to amend Section 3070 of the Business and Professions Code, relating to healing arts.

LEGISLATIVE COUNSEL'S DIGEST

SB 649, as introduced, Margett. Optometry.

Under existing law, the Optometry Practice Act, the State Board of Optometry licenses and regulates persons engaged in the practice of optometry. Existing law requires a registered optometrist to notify the board of the address where he or she is to engage, or intends to engage, in the practice of optometry.

This bill would make a nonsubstantive change to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
